18  
19 Renumber the remaining sections consecutively and correct any  
20 internal references accordingly.

21  
22 Correct the title.

23  
24

**EFFECT:** Reduces state general obligation bond appropriations for the Washington Wildlife and Recreation Program by \$10 million. Appropriates \$10 million in state general obligation bonds for the Forest Riparian Easement Program (FREP) at the Department of Natural Resources (DNR). Eliminates proviso language requiring the DNR to develop a prioritization process for purchasing easements eligible under the FREP.

**FISCAL IMPACT:** No net change to appropriated state bond levels.
